5 Paris apartments for sale with art connections

Where to be inspired

The City of Light has long been a Mecca for artists, from Picasso and Cézanne to a new generation of creatives looking to follow in their footsteps. Whether you're a budding Matisse or an art aficionado, here are five Paris apartments for sale that are primed for artists - or art lovers...

François Arnal's former home and studio

This former factory on Paris' southern outskirts was the home and workplace of artist, writer and designer François Arnal until his passing in 2012. Called Atelier A, it has also served as a studio for a collective of artists over the years. At the heart of the 680 sq m complex lies a large gallery space to show off all your creations.
